

# HOW TO **STREAM YOUR GAMES**

## Film your game

Using your own video camera, film your game as it happens

## Pay-per-view

Revenue is generated and shared equally through pay-per-views of your games

## Own their second screen

While streaming the live game, fans can dig into game stats, player profiles and instant replays on their tablet or smartphone

Requires :

- Pointstreak Stats
- Pointstreak Live Publisher

## Convert & Upload

Pointstreak's converter will automatically convert your video feed into a digital format and upload it in real-time to the cloud

## Share the excitement

Your fans stream the game in real-time on their computers or on big-screen internet-connected TVs
